Delivery Options

Option 1: Starting at \$250+, we can arrange for a crane to place your Hot Tub easily and safely into its new location.

Option 2: Alistair has years of experience moving Hot Tubs manually. As long as there is access for the Hot Tub to be delivered to your location, you can save a bit of money by providing some muscle on the receiving end. (2-3 persons depending on size of Hot Tub) Alistair will provide tools, slider and knowledge to put into place at no additional cost.

Upgrades & Accessories

<p>Circulating Pump \$695 -Lower your hydro costs & get consistent filtration with this 24/hr efficiency pump. Plumbed in house for optimum performance. Also increases ozone delivery to 24hrs, rather than set filtration hours.</p>	<p>Hydraulic Cover Lift & Installation \$400 -Our most popular lift, gives you ease and control, while also doubling as a privacy barrier. Need something different? Ask us about other cover lift/shelf options we can offer!</p>
<p>BWA WIFI Module \$585 Want to keep tabs on your Hot Tub without having to be in front of it? There's an app for that! Opt for the Wi-Fi Systems Controller and monitor your spa from the comfort of your own home, or anywhere!</p>	<p>Leisure Concepts Smart Steps \$270 -With a range of colour options to match your tubs exterior, these Anti-Slip Steps are a must have!</p>
<p>4 HPR Pump Upgrade for EZ Series \$350 -If you have the ability to connect your EZ to 220 power, you will immediately receive the benefits of running a more efficient heating system bumping you from 1kw to 4kw of power. This will also give you the option to upgrade the stock pump from 1.5 HPR to 4 HPR for added turbulence and jet power!</p>	<p>Hot Tub Removal \$385 -Get that old Hot Tub out of there and make way for the new! Includes labour and dump fee.</p>
<p>Ozone Installation for EZ Series \$395 -Help reduce the amount of chemicals you use, while keeping your water crystal clear. Plumbed and installed in house.</p>
